A BILL TO BE ENTITLED

1 AN ACT
2 relating to energy and water management planning and reporting
3 requirements for state agencies and institutions of higher
4 education.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. Section 447.009, Government Code, is amended to
7 read as follows:

8 Sec. 447.009. ENERGY AND WATER MANAGEMENT PLANNING;
9 REPORTING. (a) The state energy conservation office shall provide
10 energy and water management planning assistance to a state agency
11 or an institution of higher education, including assistance to:

12 (1) [~~preparation by the agency or institution of a~~
13 ~~long-range plan for the delivery of reliable, cost-effective~~
14 ~~utility services for the state agency or institution,~~

15 [(2) ~~assistance to~~] the Department of Public Safety
16 for energy emergency contingency planning, using state or federal
17 funds when available; and

18 (2) [(3) ~~assistance to~~] each state agency or
19 institution of higher education in preparing comprehensive energy
20 and water management plans[, ~~and~~

21 [(4) ~~assistance to state agencies other than~~
22 ~~institutions of higher education in meeting the requirements of~~
23 ~~Section 447.002, including assistance in scheduling and assigning~~
24 ~~priorities to implementation plans to ensure that state agencies~~

1 ~~adopt qualified cost-effective efficiency measures and programs~~
2 ~~for all state facilities not later than September 1, 2006].~~

3 (b) ~~[A state agency or an institution of higher education~~
4 ~~shall develop the plan described in Subsection (a)(1) and submit~~
5 ~~the plan to the state energy conservation office upon request. The~~
6 ~~agency or institution shall use the plan in preparing its five-year~~
7 ~~construction and major renovation plans. After other energy-saving~~
8 ~~or water-saving alternatives are considered, district heating and~~
9 ~~cooling or on-site generation of electricity may be considered in~~
10 ~~planning for reliable, efficient, and cost-effective utility~~
11 ~~services.~~

12 ~~[(c)]~~ The state energy conservation office shall prepare
13 guidelines for preparation of the plan described in Subsection
14 (a)(2) ~~[(a)(3)]~~ and develop a template for state agencies and
15 institutions of higher education to use in creating the plan. Each
16 state agency and institution of higher education shall set
17 percentage goals for reducing the agency's or institution's use of
18 water, electricity, transportation fuel ~~[gasoline]~~, and natural
19 gas and include those goals in the agency's or institution's
20 comprehensive energy and water management plan. ~~[A state agency or~~
21 ~~an institution of higher education that occupies a state-owned~~
22 ~~building shall prepare and implement a five-year energy and water~~
23 ~~management plan and shall submit that plan to the office upon~~
24 ~~request. The agency or institution shall update its plan annually.~~
25 ~~A state agency or an institution of higher education that occupies a~~
26 ~~building not owned by the state shall cooperate with the office in~~
27 ~~addressing the energy or water management of that building.]~~

1 (c) [~~(d)~~] The comprehensive energy and water management
2 plan described in Subsection (a)(2) [~~(a)(3)~~] shall be included in
3 the five-year construction and major repair and rehabilitation
4 plans for institutions of higher education as required by Section
5 [61.0651](#), Education Code.

6 (d) [~~(e)~~] Not later than January 15 [~~December 1~~] of each
7 odd-numbered [~~even-numbered~~] year, the state energy conservation
8 office shall submit a report to the governor and the Legislative
9 Budget Board on the status and effectiveness of the utility
10 management and conservation efforts of state agencies and
11 institutions of higher education. The report must include
12 information submitted to the office from each state agency and
13 institution of higher education. The office shall post the report
14 on the office's Internet website.

15 SECTION 2. This Act takes effect September 1, 2017.
